**It's our third game of the year in uniform!!! We also have homecoming on Saturday and it's our homecoming game so let's make this performance count! Also, don't forget that you still can not eat food while you have your uniform on!!! For the show, everybody needs to play with confidence and balance to each other so we can sound great!!! We need to also play with mature sounds and play within our best sound. Also remember to keep your shoulders facing the sideline!!!!!! And don't forget to watch the Drum Majors!!! So let's go have a great time and a great show!!!!**

Dear Jessica,

Hey Band

I know we had a wild rehearsal yesterday with all the thirsty people god had to send us some more H<sub>2</sub>O, but thankfully we have gotten passed that, i'm staying up doing my homework, and living of Five Hour energy (Pro tip #2334 if you drink 2 bottles of five hour energy it only gives you 8 hours ) anyway, I would like to say i'm really, like super impressed with our work and hope us luck with tomorrow's Festival performance.
