So go out there and cheer our team to victory and enjoy this all while you can! Let's go out there and show northbrook who's the best! (Obviously we know who is the best.) Hey Band!

It's our game before area! We have to have a great performance today to prepare us for area tomorrow. So remember to cover down, and use great fundamentals throughout the WHOLE show! And then lets have our very best performance at area! But on top of all that we are playing, the only team that we know that we'll win! So have fun and support our football team!

Mellos!!

I hope you all had a good day. And I hope you all enjoyed the performance at uil. I know some of you might have been scared or nervous, but don't worry about because at the end of this it is only a number. That rating does not define us. What defines us is the actions and our dedication and hard work. So let's do even better at the football game.

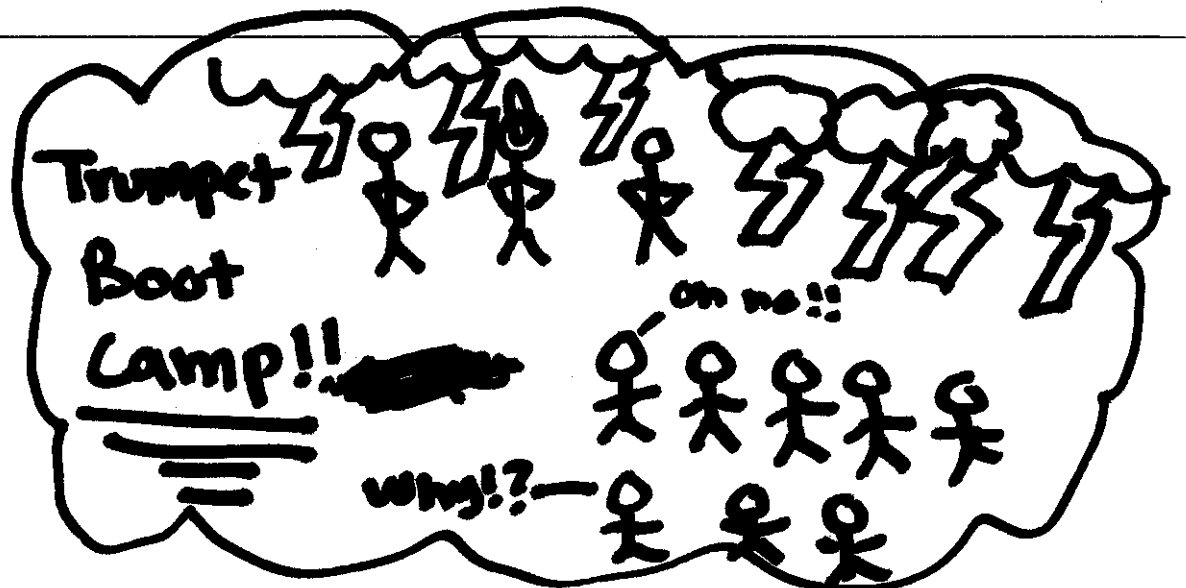

MOTW: you all deserve to be mellows of the week.

Thank you all for this fun adventure to uil. Thank you all for making this year amazing for me. You all mean the world to me. Thank you.

Another week has gone by, and while it was kinda shaky, I'm alright with how it turned out. Proud of the work ya'll are putting in and staying level-headed in the tension that is Area Week. Nothing left to do now but put our best foot forward and give it our best effort.
