Heyyy

Baaand!!!!!!

It's our first game of the year in uniform!!. So let's take pride while we're out there. Also, don't forget that you that you can not eat food while you have your uniform on!! For the show, everybody needs to play with confidence, but also balance to each other so we can sound great!!! Sound like a concert band out there, like McNeal says. Also remember to keep your toes up and have strong fundamentals. And don't forget to watch the Drum Majors!!! Freshman look for the red dot on your plumes so it's not backwards!!!!

Dear Jessica,

Hey Band!!!! I am so proud of how you guys move your little feet across the field. I am also proud of how you guys have made me question everything that I know about band in 3 months. For those who don't know me I am the one who carries the Met (yes I am also a Drum Major). I am proud to see that we have managed through these tough times (Grades, hurricanes, Storms) to put our whole educated part of the show on the field. You have all worked hard and we have our entire show on the field. Now all we have to do is clean it up (with new SHAMWOW, HJ BILLY MAYS HERE), and perfect it. This is our first game with Uniforms and you may feel very hot, but power through it I know you can. Remember to give it all you've got on the field,

MELLO PAGE

Hey guyssssss, its the second game whooo!! ITS ALSO FIRST GAME IN OUR UNIFORMS!!! Get ready to sweat like crazy lol. But guys the first game was so fun and awesome. I'm proud of all of y'all! We need to work on our dancing big time though lol. My new method to get y'all to dance is.... IF Y'ALL DON'T DANCE, YOU'RE ON REPORT!!!! Its serious business and I want to win that spirit stick so dance!! So speaking of winning, this weeks MOTW is.....(drumroll).....JORDAN!!! Jordan really has improved his marching and he has been a good mello this week. So congrats Jordan. If you want to win MOTW then keep working hard and stay focused. Also we're gonna keep having sectionals to work on music and maybe dance sectionals. Well guys it is the second game so go out there and have fun like last game (and win spirit stick!!) . Go kick some brass out there :) !! Remember your spots!!!

PRACTICE YOUR REGION!!!

Tubas,

We did a great job yesterday during rehearsal.

The energy we showed, along with the control of

our sound made me proud. Perform like that all the

time and save the crazy stuff for the stands

or cadences. That's okay though, I need to

work on it too. Love you guys.
